

CORE TECHNOLOGIES FOR LIFE SCIENCES

What is CTLS?

CTLS is Core Technologies For Life Sciences, an international non-profit association that brings together scientists, technical and administrative staff working across the world in core facilities, research infrastructures and other shared resource laboratories

Why join CTLS?

Join a large active community of core facility staff across the world.

Membership benefits include:

- Targeted training courses and training schemes
- Resources including job opportunities and newsletters
- Events including our biennial congress for all members

Visit ctls-org.eu and join today to gain access to these exclusive benefits!
