QUARTERLY NEWSLETTER JANUARY 2022

CTLS MONTHLY WEBINARS

Thank you to the many of you who have registered for the monthly webinar on Monday 31st January entitled '**Resource Management Software for Core Facilities and beyond**'. This features three of our corporate partners and promises to be a very interesting discussion.

Click [here](#) for more information... and to register if you haven't already.

Remember that these webinars are open to both CTLS members and non-members. CTLS members can also watch videos of previous webinars by clicking [here](#) (after logging onto the website).

We are keen to hear your feedback about these webinars, please [email us](#) if you have any questions or comments, thank you.

CTLS MENTORING PROGRAM

The CTLS Mentorship Focus Group is excited to launch the new **CTLS Mentoring Program**.

This is a flexible program with scope for the mentoring to develop as the mentee and

mentor decide. Visit the [CTLS Mentors](#) page to see a list of mentors who have already volunteered to support this new initiative, including information regarding their expertise, from scientific fields to areas of core facility management. If you are interested in being mentored, please reach out directly to a mentor via their contact information on the webpage, and if you want to serve as a mentor, please email training@ctls-org.eu. Thank you.

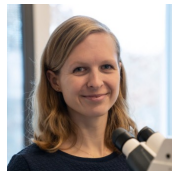

The CTLS Mentorship Focus Group is part of the Training Working Group and comprises Josh Rappoport (Chair), Ian Brewis, Luisa Cortes and Natalie Homer.

CTLS LEADERSHIP TEAM UPDATES

The CTLS Board of Directors is pleased to welcome Valentina Adami from the University of Trento as the new CTLS Vice-Secretary, with Kateřina Hošková now being on maternity leave.

The CTLS Board of Directors is also pleased to welcome five new members to the CTLS Executive Committee (EC). The new members are Spencer Shorte (Institut Pasteur, Korea), Michael Pancher (University of Trento), Janina Hanne (German Biolmaging) Barry Moran (Trinity Biomedical Sciences Institute, Dublin) and Laurence Lejeune (Consultant, Montreal).

CTLS WORKING GROUP NEWS

Communications WG

We welcomed Anjali Panse from Boston College to our working group in Autumn 2021. She joins Leonor Heleno Wielgosz, Michelle Malloy, Janina Hanne and Michael Pancher as one of the 5 new members to join our working group in 2021. We are now a truly global working group with members from South Korea, USA and across Europe!

We were sorry to say good-bye to Valentina Palmieri at the end of 2021 and thank her very much for all her great work for CTLS and our working group, including her fantastic illustrations.

Our active posting and reposting has led to a great increase in our social media presence with >1600 followers on Twitter and >300 on LinkedIn. Start to follow us on [Twitter](#) and [LinkedIn](#) if you are not already!

Please [contact us](#) if you have any questions or comments about CTLS communications, newsletters and so on. We are hear to listen to you.

Meet Keralia our new CTLS corporate partner

Keralia produce newLab®, an open cloud platform designed for R&D which offers an intuitive digital workplace powered by automated workflows. Visit [Keralia](#) to find out more!

Join Gen2Bio!

Manuel Sorroche from Biogenouest invites you to register for [Gen2Bio](#), a two day Biotech Congress to be held in La Baule (on site and online) on 24th and 25th March 2022. Check out the [website](#) to find out more, noting that registration closes on the 18th March!

REMEMBER TO RENEW YOUR CTLS MEMBERSHIP!

And remember to invite your colleagues and friends to join too!

CTLS membership has many benefits including:

- Reduced rates and priority registration at CTLS congresses and events
- Access to CTLS sponsored trainings at preferred rates
- Networking opportunities with other core facility staff
- Access to CTLS webpages with news, job listings and event

Click [here](#) to renew or join.
